We are on a journey to more service!

District 2-X1 is participating in Global Membership Approach to maximize our membership thereby maximizing our service to the community.

District 2-X1 Goals: Following are the district goals:

- Charter 3 new clubs
- Recruit 400 new members
- Drops to be below 300
- Serve 185,000 needy people in our community
- Net Membership Gain +100

How are we doing ?

The district is on track to achieving its goal. Here are the details:

Lumbini Specialty Club has been chartered. We have a positive membership of +51

Service: The district has served over 65,149 with 16,874 volunteer hours and 682 projects. 53% of the clubs have reported on MyLion. Let us keep all our members engaged.

Leadership Training: Club Officers training was already held at 2-X1 LU in June with several Lion officers in attendance. Zone Chair training was conducted by GMA during State Convention with 35 Zone Chairs in attendance. As a follow up the ZC training was also held virtually. The goal of the district is to train as many Lions as possible to prepare them to be better Lions and serve the clubs and district in leadership positions.

What's Next? - We still have several clubs with no membership activity and the need to encourage them to hold membership growth events, with the help of Zone Chairs.

- Provide assistance to the 11 clubs with less than 10 members.

District has several ongoing initiatives. The club rebuilding program PCC John Eads and IPDG Esme are working with Allen High Noon, Dallas Women's, Ferris and Richardson Host. Districtwide service projects are being planned for more membership engagement.

Clubs to host membership events.
