

# WYLIE EVENING LIONS CLUB

March 17, 2023

District Governor Fred Conger  
Secretary Peggi Smothermon  
Lions of District 2-X1

It is my honor and pleasure to inform you that the Wylie Evening Lions Club (WELC) places the name of Lion Pamela Baker into nomination for the office of 2<sup>nd</sup> Vice District Governor for District 2-X1 for the Lion-year of 2023-2024.

Lion Pamela joined the WELC in November of 2011 and jumped in to serve the club and community in all of our service activities. She received the Grass Roots Lion award in 2013. She has served multiple terms as club secretary and after the death of our president (Lion Bill Fetzer) in 2018, she took over as president and kept that roll for another three years through the pandemic. She is our Leo Club Coordinator and Peace Poster Contest Chair. She also served as Zone Chair for 2 years.

Lion Pamela has a PhD in Education and has shared her knowledge and other gifts both at the club and district level. She has served on numerous committees to plan and implement Lions University, Mid-Winter Conference, and District Conference. She has made presentations at both Lions University and the New Voices forum. To build her skills to contribute even more to Lions, she has attended several leadership training programs:

- Guiding Lion Certification
- Emerging Lions Leadership Institute (ELLI)
- Advance Lions Leadership Institute (ALLI)
- Faculty Development Institute

For three years, Lion Pamela has served the district as Global Leadership Chair, and she received a Leadership Certificate by the International Association of Lions Clubs by Gudrun Yngvadottir, International President 2018-2019.

Lion Pamela Baker exemplifies the motto "We Serve" and District 2-X1 would be blessed to have her as a member of the District Governor's Team for the next three years.

Yours in Lionism,

Karen L. Johnson  
President, Wylie Evening Lions Club
