Multiple District 2 (Texas)

Texas is the second largest state in the union, and is home to 850 clubs and over 23,000 members. Each year, Texas Lions contribute nearly two million service hours helping their communities and charitable organizations.

Texas (MD-2) was assigned as District 2 (Illinois was District 1) by Lions in 1917. As district 2 grew in clubs and members it was divided into 5 sub-districts

(2-T,2-E,2-X,2-A,2-S).

Now Texas has been divided into 16 sub-districts as shown on the map above.

Our district (2-X1) currently has 58 clubs and 1720 Lion members.

Purposes

Lions Clubs International

TO ORGANIZE charter and supervise clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Mission Statement

Lions Clubs International

"TO EMPOWER VOLUNTEERS to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."

Ethics

Lions Clubs International

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

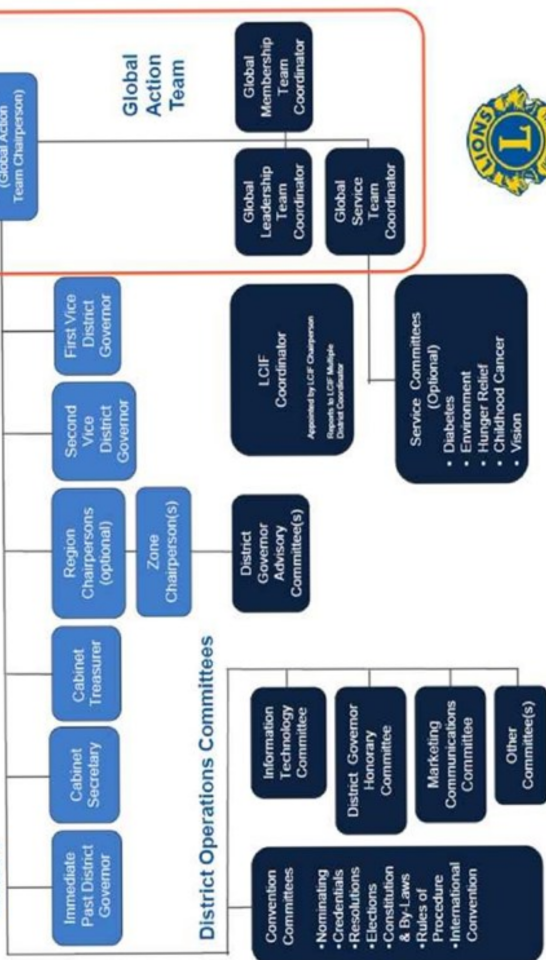

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, as to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International FOUNDATION

Lions Clubs International Foundation (LCIF) is the official charitable organization of Lions Clubs International and supports Lions' compassionate works by providing grant funding for their local and global and humanitarian efforts.

LCIF helps Lions improve peoples' lives around the world, from combatting vision problems to responding to major catastrophes, to providing valuable life skills to youth. On average, LCIF grants **\$30 Million** annually in these focus areas (***Saving Sight, Serving Youth, Providing Disaster Relief & Meeting Humanitarian Needs***). Since LCIF began in 1968, it has awarded more than **\$1 Billion** in grants to improve the lives of people worldwide.

Most of LCIF's funding comes from Lions around the world. LCIF is an efficient and effective charity having been ranked as the number one non-governmental organization worldwide by *The Financial Times* and has been rated by Charity Navigator as one of the most effective charities for the last 10 years.

Since LCIF does not receive any portion of club dues, it is totally dependent on donations from Lions and like-minded individuals and companies.

CONTRIBUTING MEMBERSHIP PROGRAM: An annual program that recognizes three levels of support: **\$50 One Star, \$100 Two Star, and \$200 Three Star**. These contributions apply toward individual recognition and awarding of Melvin Jones Fellowships.

MELVIN JONES FELLOWSHIPS (MJF): An award that recognizes an individual's (including non-Lions) donations of \$1,000, in one sum or installments. Melvin Jones Fellows receive an attractive lapel pin, a plaque, and a congratulatory letter. **Progressive Melvin Jones Fellowship (PMJF)** program is a way for donors to extend their commitment to LCIF. There are 100 recognition levels, one for each \$1,000 donation beyond the initial \$1,000 MJF contribution. For each \$1,000 contribution, there is a unique pin. After contributing \$100,000, donors become "Humanitarian Partners".

MELVIN JONES FELLOWS

The Melvin Jones Fellowship (MJF), created in 1973, is named in honor of the founder of Lions Clubs International, Melvin Jones. The fellowship was established as the highest form of LCIF's recognition to acknowledge an individual's dedication and commitment to humanitarian service. MJF is an honor, not an Award. The honoree need not be a Lions club member. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter. Progressive program of MJF began in 1986 as a way to recognize lions' continued commitment to LCIF. PMJF receives a new lapel pin and a congratulatory letter (one *diamond each in yellow gold representing every subsequent \$1000 donation to LCIF).

A listing of Melvin Jones Fellows and Progressive Melvin Jones Fellows in District 2-X1 is kept on the District Web site www.lions2x1.org. If any discrepancy is observed, please contact LCIF to correct their records.

It all starts with a puppy. This puppy is raised for the 1st 7 weeks by a puppy mom. Then it is weaned from its mother and given to a puppy raiser. The puppy raiser's job is to train 12 basic commands (sit, stay, heel etc.), test its agility skills (will it go up and down stairs) and socialize it by introducing him to the mall, grocery store, and traffic in real life situations. The puppy is put on a specific diet and schedule. No people food, and no raw hide bone either. There are several don'ts. We don't throw Frisbees, don't throw balls, we don't play tug of war. These dogs are going to be large and are susceptible to injury at this age. At the end of 12 to 13 months, the dog is brought back to Rochester Hills MI where it is given a complete physical; its skills are tested and then taken on a walk through the city to check its social skills. Once accepted in the program the dog will spend the next 4 months in training to become a Leader Dog. During that time it will learn 45 commands (find the sidewalk, find the curb, right, left). After training the dog will be matched with an individual who will be 16 years or older, who is legally blind, in reasonable health and have basic orientation and mobility skills. Once this team is formed, they will spend 26 days in an on-site residential program learning how to become an independent and empowered guide dog team.

JACK WIECH FELLOWS

The JACK WIECH FELLOWSHIP, established in 1994, is to pay tribute to the founder of the Texas Lions Camp Lion Jack Wiech. This outstanding lion organized and chartered the Camp in 1949, which was dedicated "to the perpetual use, enjoyment and rehabilitation of the crippled children of Texas". Over 65,000 Texas children with physical disabilities, Type-1 diabetes and cancer attended the one-week-long residential Camp at no cost to the parents. Lion Jack Wiech served as the President of the Camp for the first five years and was a permanent member of the Board of Directors. A donation of \$1000 to the TLC (as a lump sum or over a period of 3 years) will qualify an individual (need not be a Lions club member) to be the recipient of Jack Wiech Fellowship.

**A list of Jack Wiech Fellows from our District may be found on the District 2-X1 webpage
www.lions2x1.org.**

In case of a discrepancy, please contact the Texas Lions Camp and the District 2-X1 District Directory Chairperson.

The Lions Sight and Tissue

Foundation

A 501c3 Charity of District 2-X1

The Lions Sight & Tissue Foundation (LSTF) assists people by providing vision care services and is an official District 2-X1 charity.

The LSTF can support the Lions Clubs in District 2-X1 by bringing the Neil Roach Mobile Eye Clinic to their community & helping them

hold Vision Screenings. By going to <http://lstf.org> you will find Bus

Schedules for the Neil Mobile, forms & services. There is also information on events & activities here.

There are several ways your club can help support the LSTF & they are as follows:

1. Hold a clinic in your community – When you are helping your community, then you are getting the Lions Club & LSTF Name out there. People will remember the name of an organization who helped them. The impact of this service on the lives of these children and adults is profound. Without glasses, children are less likely to succeed in school, leading to drop-outs, gang involvement, and potential incarceration. Vision problems are 3 times as likely in Juvenile Detention Centers as in the general population. For adults, having a pair of glasses can mean the difference in getting a job or becoming a drain on society's resources. The sense of pride in becoming self-sufficient can change their lives.
2. Participate in one of our events or fundraisers:
 - a) Howard Snyder Golf Tournament
 - b) Bowl-a-thon
 - c) Denim & Diamonds Dinner

We want to thank all our supporters & Sponsors, especially Pete's Tire & Automotive for all their continued support & generous maintenance of our Neil Mobile.

Lions Sight & Tissue Foundation, Inc.

A 501c3 Charity of District 2-X1

The LIONS SIGHT & TISSUE FOUNDATION, INC. of District 2-X1 (LS&TF) is a working Board of Directors made up of 15 elected voting members plus any appointed Officers & the sitting 1VDG. This Board works for the Lions of District 2-X1 to assist clubs within their communities to serve people who cannot afford the proper vision care or medical assistance for vision related surgeries.

In November 2017 the LSTF received their new more compact Mobile Eye Clinic. Lion Neil Roach who helped design the bus, making sure we did not need a Commercial License to drive (this cuts out the Driver Fee we have had in the past), never got to see the final product so the LSTF Board voted to call the new bus the "Neil Roach Mobile Eye Clinic" & on the door "Neil Mobile". Also, this past Lion's Year, since the LSTF is still partnered with Essilor Vision Foundation, we have been able to reduce the cost of eyeglasses. We still partner with local Lions Clubs & Independent School Districts to serve approximately 2,000 children & adults.

Some of the costs the clubs are asked to help with are as follows:

Cost to bring out Neil Mobile (Clinic or PR*)	\$50.00
Cost of LSTF Doctor (\$75 per Hour) **	\$300.00 Min
Cost of Eyeglasses ***	\$10.00 per pair

* Cost to bring the bus to a location & coordinate clinic or bring bus to a location for Parade, PR, etc.

** If club does not provide their own Doctor

*** For all eyeglasses, doesn't matter what the strength.

The LSTF needs the support of the Lions & Lions Clubs of District 2-X1. Some ways to support LS&TF is your 100% Contribution of \$2.00 per member. Also by hosting a Clinic, which helps to promote the LS&TF and also your club. Please see pages following pages for a list of Awards your club can purchase to Honor a Special Member in your club.

LS&TF Awards

In District 2-X1, the following two Awards from Lions Sight & Tissue Foundation symbolize the highest achievement as true "Knights of the Blind" as challenged by Helen Keller in her 1925 speech. The **PDG "Pancho" Luna Fellow** (Gold & Silver) award and/or the **William S. Harris Award** (with Progressives) can be awarded to such "knights".

A contribution to Lions Sight & Tissue Foundation will not only qualify the donor or named recipient (need not be a Lion) for the prestigious Award but also will help to give the "gift of sight" to some deserving persons.

PDG F. X. "PANCHO" LUNA FELLOWS:

The "Pancho Luna Fellowship" was established in 2007, to pay tribute to PDG Francisco X "Pancho" Luna. PDG Luna served District 2-X1 for nearly 50 years (including as District Governor in 1975-76) supporting every charity and giving freely of his time and resources. He was most dedicated to the Texas Lions Eye Bank (now Lions Sight & Tissue Foundation) and was instrumental in changing Mexico Laws to help cornea transplant patients and establishing The Eye Bank of Monterrey, Mexico. PDG Luna, who died in 2006, worked untiringly for LS&TF making him synonymous with the work done. For his dedication and Lionistic work in Texas and Mexico, Lion F.X. "Pancho" Luna was inducted into the "Texas Lions Hall of Fame" in 2001.

PDG F.X "Pancho" Luna Award in the LS&TF is \$1,000 for a Bronze Plaque. Designate the check "Pancho" Luna Award" and who is the recipient.

The names of the District 2-X1 Pancho Luna Fellow Award recipients are listed on the District 2-X1 webpage
[www.lions2x1.org/Resources/District Directory](http://www.lions2x1.org/Resources/District%20Directory).

Mail these checks to the District Charities Treasurer—Lion PCS/PCT Danny Fletcher.

Julien C. Hyer Lions Youth Camp, Inc.

The **Julien C. Hyer Lions Youth Camp** was organized in 1973 and the first camping session was held in 1974. Each year the Lions of District 2-X1 and 2-E2 host 30 "campers" (boys & girls) from around the globe. The campers visit Texas for five weeks as they learn about Texas, Lionism, and the American way of life. The Camp is named in honor of Past International President (1931-1932) Judge Julien C. Hyer, an active lion for 55 years and the founder of the Lions Clubs International Youth Exchange Program.

The camp typically begins the last weekend in June and closes at the end of July/early August. The students stay with host families in and around the Dallas/Fort Worth area. While here, they become part of their host families as they experience many things associated with Texas such as rodeos, line dancing, BBQ and much more.

During the first week, they get acclimated to the new time zone, spend time with their host families and begin to meet other youth from the JCH camp. The second week is spent in Lake Texoma where many activities are planned for them as a group. They will return to DFW for a couple of days and then it's off again to the state capital. In Wimberley, the students are hosted by a different set of host families. They spend a day in the Hill Country cities of Austin, San Antonio, San Marcos and Wimberley.

Upon arriving back in the DFW area, they have just a few days to relax and attend the Mesquite Rodeo before they are off again to Lubbock. They are welcomed by the new host families in Lubbock with a Texas style Bar-B-Q, music and dancing. They have the opportunity to go horseback riding, tour many different attractions and see "Texas," a world-renowned play about our state in the setting of Palo Duro Canyon.

After a month of travel and adventure, they once again head back "home" for the final leg of their trip. The last week in Dallas-Fort Worth has a busy schedule with a day at Six Flags, visits to area Lions Clubs, a night of dancing at Billy Bob's, last minute souvenir shopping, a Texas Rangers game and the Farewell Dance.

YOUTH CONTESTS

Every year District 2-X1 conducts Youth Contests for area school students who compete for Awards and Scholarship money. The contests are:

- 1- Drug Awareness Speech ('Student Speaker') Contest
- 2 - Diabetes Awareness Essay Contest
- 3 - Outstanding Youth Contest
- 4 - Peace Poster Contest
- 5 - LC Essay Contest for visually impaired

Contests 1-3 are for juniors and seniors. District 2-X1 awards the top students scholarship money for college. The 1st Place winners also get a chance to compete at the MD2 Texas State Convention (see the Calendar page for date and location) for additional scholarship money. Guidelines for the State Contests can be viewed online at www.texaslions.org.

Contests 4-5 are for children 11-13 years old. District 2-X1 awards cash prizes to the top students. The winners of the District's "Peace Poster Contest" and "Lions International Essay Contest" (for visually impaired children) also go on to compete at the State level and can even make to the International competition for higher recognition and cash prizes as high as \$5000. Please visit: www.lionsclubs.org, select tab "How We Serve."

Competing students at District level are sponsored by local Lions Clubs. Sponsoring a student in the contest by a club is very easy. Just contact the Speech/Debate and/or Arts Teacher of your local schools and local home school programs who are eager to help the students to get involved in scholarship programs. Lions Clubs are encouraged to sponsor area school students to participate in these contests conducted by District 2-X1.

It is important for all the clubs to support these programs by **sponsoring students** and/or **donating \$100 per contest** to keep the scholarship fund self-sustaining. For more information and guidelines for sponsoring the students, please contact Youth Programs District Chair:

MELVIN JONES LIONS INTERNATIONAL MEMORIAL

<http://lions-mjm.org>

Located at Fort Thomas (birth place of Melvin Jones), Arizona, the Melvin Jones Lions International Memorial was erected and dedicated in 1965. The memorial is the result of a movement of Lions in Arizona to find a way to honor Melvin Jones, founder of Lions Clubs International. In 1961 the International Board of Directors proclaimed January 13 (birthday of Melvin Jones) as a day of memory each year throughout the world of Lionism. The "Founders and Rededication" month traditionally observed in January is now designated as "Melvin Jones Memorial" month. Thereafter every year on the Saturday closest to January 13, Lions throughout the world gather at this memorial to pay tribute to Melvin Jones and to rededicate themselves to service.

The Melvin Jones Lions International Memorial is a 501(c)(3) organization. Donations of \$100, \$250, \$500, and \$1000 are suitably recognized on the Wall of Fame in the Memorial Building. A drive is underway to expand the existing Melvin Jones Museum into a World Cultural Center at this Memorial, with donations by the first 1000 individuals (not clubs) that donate \$1000 to the foundation. Past District Governors

Texas - District 2 - 1918-1930

From 1918 through 1930, for Lions organization, the entire State of Texas was one 'Single District' - an 800+ miles across and over 900 miles from San Benito in the lower valley to Texline in the upper pandhandle. It was a mighty large area for a "Lone Star" Governor to cover!!

Texas became known as "**District-2**" having only one District Governor for the entire State, and having an official Convention in Dallas, Texas. Illinois was designated as **District-1** due to the work of Melvin Jones as the Founder of Lions organization.

Texas - District 2X - 1930-1958

In 1930, the LCI divided the "District-2" (Texas) into five 'Sub-Districts' (2T-2E-2X-2A-2S), each with their own District Governors - still some mighty large area to cover, but better than the whole State of Texas.

Past District 2-X1 Governors

Currently there are 16 Districts in **Multiple District 2** (The State of Texas), each with separate District Governors, 1st and 2nd Vice District Governors. In 1994 the office of Vice Governor became mandatory. In 2008, LCI also created the office of 2nd Vice Governor and District 2-X1 elected a 2nd VDG for 2008-2009.

Past District Governors

PDGs can be among the **most valuable assets in the district.**

Their experience, if used wisely, can add to the success of the district. Many of the problems, challenges and decisions facing the district may have been previously faced by the Past District Governor.

Some of the positions PDGs may serve are:

Guiding Lion of a new club
Workshop or Seminar Presenter
Organizer of New Clubs / Leo Clubs
Spokesperson at Officer Installations
Chairperson of District Committees
Member of the GMT or GLT
etc ...etc

Lions Clubs International FOUNDATION

Lions Clubs International Foundation (LCIF) was founded in 1968 to take the mission of Lions Clubs International to new heights by tackling global problems, as well as assisting Lions with large-scale humanitarian projects.

LCIF's history is filled with high-impact projects, meaningful partnerships and the kindness and efforts of Lions. With continued support, you can count on LCIF to continue and expand programs to improved lives around the world far into the future.

The vast majority of grant funding is made possible by donations from Lions Clubs and individual members worldwide. LCIF does not receive any portion of Lions membership dues. Gifts from foundations, corporations, governments, non-Lions and interest earned on investments also provide funding.
