### Club of the Year - Dallas Everest Lions Club

The

Dallas Everest Lions Club (DELC) has come a long way since its inception in March 2003. As the first Lions Club in the USA formed by the Nepalese Community, DELC has continuously strived to embody the true essence of Lionism. With a current membership of 108 active individuals, the club has become a vital platform for networking and collaboration between Nepalese origins and members from the native community.

DELC's primary objective is to actively engage in the civic, cultural, social, and moral welfare of the community. The club aims to unite its members in the bonds of friendship, good fellowship, and mutual understanding. Over the years, DELC has organized numerous events and initiatives, showcasing their unwavering commitment to their objectives.

In the fiscal year 2023, DELC successfully hosted several major events that left a positive impact on the community. The club kicked off the year with a Health Fair, where licensed volunteers provided screenings for diabetes, hypertension, and obesity. This initiative aimed to raise awareness about these prevalent health issues and promote early detection and prevention.

DELC also dedicated significant efforts to mental health awareness. In July, they organized a presentation on Mental Health Awareness to commemorate Minority Mental Health Awareness Month. This event aimed to destigmatize mental health and foster understanding and support within the community.

DELC's dedication to community service and its tireless efforts in organizing impactful events have made it a prominent force in Dallas. Through their passion and dedication, they continue to make a tangible difference in the lives of individuals and the overall welfare of the community. The Dallas Everest Lions Club serves as an inspiring example of how a group of individuals can come together, transcend boundaries, and create a positive and lasting impact on society.

# Multiple District 2 (Texas)

Texas is the second largest state in the union, and is home to 850 clubs and over 23,000 members. Each year, Texas Lions contribute nearly two million service hours helping their communities and charitable organizations.

Texas (MD-2) was assigned as District 2 (Illinois was District 1) by Lions in 1917. As district 2 grew in clubs and members it was divided into 5 sub-districts

(2-T,2-E,2-X,2-A,2-S).

Now Texas has been divided into 16 sub-districts as shown on the map above.

Our district (2-X1) currently has 61 clubs and 1815 Lion members (06-15-2023)

# Purposes

## Lions Clubs International

**TO ORGANIZE** charter and supervise clubs to be known as Lions clubs.

**TO COORDINATE** the activities and standardize the administration of Lions clubs.

**TO CREATE** and foster a spirit of understanding among the peoples of the world.

**TO PROMOTE** the principles of good government and good citizenship.

**TO TAKE** an active interest in the civic, cultural, social and moral welfare of the community.

**TO UNITE** the clubs in the bonds of friendship, good fellowship and mutual understanding.

**TO PROVIDE** a forum for the open discussion of all matters of public interest provided, however, that partisan politics and sectarian religion shall not be debated by club members.

**TO ENCOURAGE** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## Mission Statement

### Lions Clubs International

**“TO EMPOWER** Lions clubs, volunteers and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian service and grants that impact lives globally, and encourage peace and international understanding.”

# Ethics

## Lions Clubs International

**TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

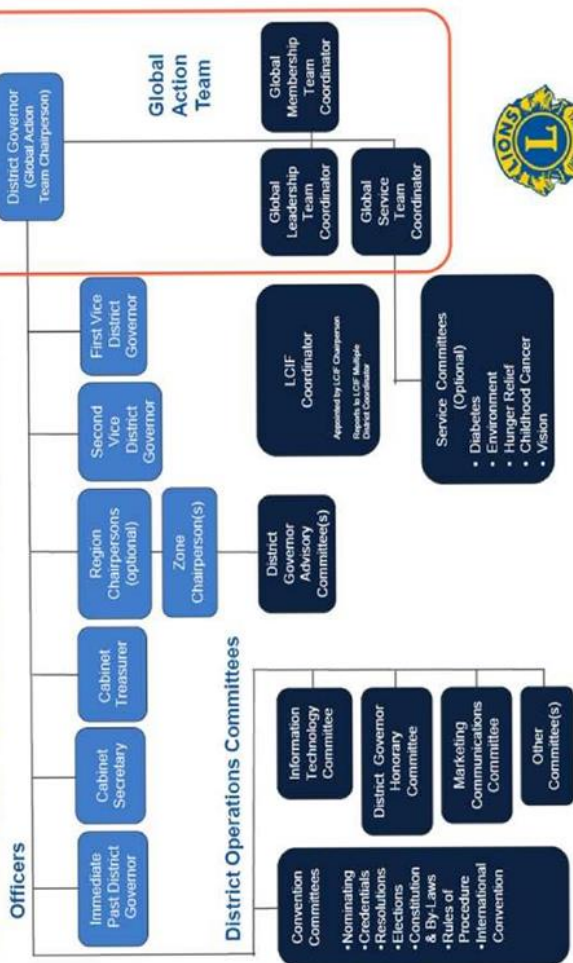

**TO HOLD** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS** to bear in mind my obligations as a citizen to my nation, my state and my community, as to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

**TO AID** others by giving my sympathy to those in distress, my aid to the weak, my substance to the needy.

**TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

## Lions Clubs International FOUNDATION

Li-

ons Clubs International Foundation (LCIF) is the official charitable organization of Lions Clubs International and supports Lions' projects around the world. Since its beginning LCIF has provided **over \$6 million in grants to Lions Clubs in Texas** providing funding for disaster relief, vision screening, hunger relief, accessible playgrounds, and many other humanitarian projects.

LCIF helps Lions improve peoples' lives around the world, from combatting vision problems to responding to major catastrophes, to providing valuable life skills to youth. On average, LCIF grants over **\$30 Million** annually in these focus areas (***Saving Sight, Serving Youth, Providing Disaster Relief & Meeting Humanitarian Needs***). Since LCIF began in 1968, it has awarded more than **\$1 Billion** in grants to improve the lives of people worldwide.

LCIF's goal is to provide funding to LIONS so that through their Clubs, they can do more service and more projects to help improve their communities.

Most of LCIF's funding comes from Lions around the world. LCIF is an efficient and effective charity having been ranked as the number one non-governmental organization worldwide by *The Financial Times* and has been rated by Charity Navigator as one of the most effective charities for the last 10 years.

Since LCIF does not receive any portion of club dues, it is totally dependent on donations from Lions and like-minded individuals and companies.

**CONTRIBUTING MEMBERSHIP PROGRAM:** An annual program that recognizes three levels of support: **\$50 One Star, \$100 Two Star, and \$200 Three Star**. These contributions apply toward individual recognition and awarding of Melvin Jones Fellowships.

**MELVIN JONES FELLOWSHIPS (MJF):** An award that recognizes an individual's (including non-Lions) donations of \$1,000, in one sum or installments. Melvin Jones Fellows receive an attractive lapel pin, a plaque, and a congratulatory letter. **Progressive Melvin Jones Fellowship (PMJF)** program is a way for donors to extend their commitment to LCIF. There are 100 recognition levels, one for each \$1,000 donation beyond the initial \$1,000 MJF contribution. For each \$1,000 contribution, there is a unique pin. After contributing \$100,000, donors become "Humanitarian Partners".

**DCG Grant Program(DCG)-**This program returns 15% of a clubs or Districts contributions during the Lion's Year to the club or District in the form of a grant that can before almost any project the Club or District can dream. All that is required is that the Club and its members/supporters donate at least \$5,000 to LCIF or that a District donate at least \$10,000.

## MELVIN JONES FELLOWS

The Melvin Jones Fellowship (MJF), created in 1973, is named in honor of the founder of Lions Clubs International, Melvin Jones. The fellowship was established as the highest form of LCIF's recognition to acknowledge an individual's dedication and commitment to humanitarian service. MJF is an honor, not an Award. The honoree need not be a Lions club member. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter. Progressive program of MJF began in 1986 as a way to recognize lions' continued commitment to LCIF. PMJF receives a new lapel pin and a congratulatory letter (one \*diamond each in yellow gold representing every subsequent \$1000 donation to LCIF).

It all starts with a puppy. This puppy is raised for the 1st 7 weeks by a puppy mom. Then it is weaned from its mother and given to a puppy raiser. The puppy raiser's job is to train 12 basic commands (sit, stay, heel etc.), test its agility skills (will it go up and down stairs) and socialize it by introducing him to the mall, grocery store, and traffic in real life situations. The puppy is put on a specific diet and schedule. No people food, and no raw hide bone either. There are several don'ts. We don't throw Frisbees, don't throw balls, we don't play tug of war. These dogs are going to be large and are susceptible to injury at this age. At the end of 12 to 13 months, the dog is brought back to Rochester Hills MI where it is given a complete physical; its skills are tested and then taken on a walk through the city to check its social skills. Once accepted in the program the dog will spend the next 4 months in training to become a Leader Dog. During that time it will learn 45 commands (find the sidewalk, find the curb, right, left). After training the dog will be matched with an individual who will be 16 years or older, who is legally blind, in reasonable health and have basic orientation and mobility skills. Once this team is formed, they will spend 26 days in an on-site residential program learning how to become an independent and empowered guide dog team.

## **JACK WIECH FELLOWS**

The JACK WIECH FELLOWSHIP, established in 1994, is to pay tribute to the founder of the Texas Lions Camp Lion Jack Wiech. This outstanding lion organized and chartered the Camp in 1949, which was dedicated “to the perpetual use, enjoyment and rehabilitation of the crippled children of Texas”. Over 65,000 Texas children with physical disabilities, Type-1 diabetes and cancer attended the one-week-long residential Camp at no cost to the parents. Lion Jack Wiech served as the President of the Camp for the first five years and was a permanent member of the Board of Directors. A donation of \$1000 to the TLC (as a lump sum or over a period of 3 years) will qualify an individual (need not be a Lions club member) to be the recipient of Jack Wiech Fellowship.

**A list of Jack Wiech Fellows from our District may be found on the District 2-X1 webpage [www.lions2x1.org](http://www.lions2x1.org).**

In case of a discrepancy, please contact the Texas Lions Camp and the District 2-X1 District Directory Chairperson.

# ***The Lions Sight and Tissue Foundation***

## ***A 501c3 Charity of District 2-X1***

The Lions Sight & Tissue Foundation (LSTF) assists people by providing vision care services and is an official District 2-X1 charity.

The LSTF can support the Lions Clubs in District 2-X1 by bringing the Neil Roach Mobile Eye Clinic to their community & helping them

hold Vision Screenings. By going to <http://lstf.org> you will find Bus

Schedules for the Neil Mobile, forms & services. There is also information on events & activities here.

There are several ways your club can help support the LSTF & they are as follows:

1. Hold a clinic in your community – When you are helping your community, then you are getting the Lions Club & LSTF Name out there. People will remember the name of an organization who helped them. The impact of this service on the lives of these children and adults is profound. Without glasses, children are less likely to succeed in school, leading to drop-outs, gang involvement, and potential incarceration. Vision problems are 3 times as likely in Juvenile Detention Centers as in the general population. For adults, having a pair of glasses can mean the difference in getting a job or becoming a drain on society's resources. The sense of pride in becoming self-sufficient can change their lives.
2. Participate in one of our events or fundraisers:
  - a) Howard Snyder Golf Tournament

# Lions Sight & Tissue Foundation, Inc.

*A 501c3 Charity of District 2-X1*

The LIONS SIGHT & TISSUE FOUNDATION, INC. of District 2-X1 (LS&TF) is a working Board of Directors made up of 15 elected voting members plus any appointed Officers & the sitting 1VDG. This Board works for the Lions of District 2-X1 to assist clubs within their communities to serve people who cannot afford the proper vision care or medical assistance for vision related surgeries.

In November 2017 the LSTF received their new more compact Mobile Eye Clinic. Lion Neil Roach who helped design the bus, making sure we did not need a Commercial License to drive (this cuts out the Driver Fee we have had in the past), never got to see the final product so the LSTF Board voted to call the new bus the "Neil Roach Mobile Eye Clinic" & on the door "Neil Mobile". Also, this past Lion's Year, since the LSTF is still partnered with Essilor Vision Foundation, we have been able to reduce the cost of eyeglasses. We still partner with local Lions Clubs & Independent School Districts to serve approximately 2,000 children & adults.

Some of the costs the clubs are asked to help with are as follows:

Cost to bring out Neil Roach Mobile (Clinic or PR)	\$100.00
Cost of LSTF Doctor (\$75 per Hour) **	\$300.00 Min
Cost of Eyeglasses ***	\$10.00 per pair

\* Cost to bring the bus to a location & coordinate clinic or bring bus to a location for Parade, PR, etc.

\*\* If club does not provide their own Doctor

\*\*\* For all eyeglasses, doesn't matter what the strength.

The LSTF needs the support of the Lions & Lions Clubs of District 2-X1. Some ways to support LS&TF is your 100% Contribution of \$2.00 per member. Also by hosting a Clinic, which helps to promote the LS&TF and also your club. Please see pages following pages for a list of Awards your club can purchase to Honor a Special Member in your club.

## LS&TF Awards

In District 2-X1, the following two Awards from Lions Sight & Tissue Foundation symbolize the highest achievement as true "Knights of the Blind" as challenged by Helen Keller in her 1925 speech. The **PDG "Pancho" Luna Fellow** (Gold & Silver) award and/or the **William S. Harris Award** (with Progressives) can be awarded to such "knights".

A contribution to Lions Sight & Tissue Foundation will not only qualify the donor or named recipient (need not be a Lion) for the prestigious Award but also will help to give the "gift of sight" to some deserving persons.

### PDG F. X. "PANCHO" LUNA FELLOWS:

The "Pancho Luna Fellowship" was established in 2007, to pay tribute to PDG Francisco X "Pancho" Luna. PDG Luna served District 2-X1 for nearly 50 years (including as District Governor in 1975-76) supporting every charity and giving freely of his time and resources. He was most dedicated to the Texas Lions Eye Bank (now Lions Sight & Tissue Foundation) and was instrumental in changing Mexico Laws to help cornea transplant patients and establishing The Eye Bank of Monterrey, Mexico. PDG Luna, who died in 2006, worked untiringly for LS&TF making him synonymous with the work done. For his dedication and Lionistic work in Texas and Mexico, Lion F.X. "Pancho" Luna was inducted into the "Texas Lions Hall of Fame" in 2001.

**PDG F.X "Pancho" Luna Award** in the LS&TF is \$1,000 for a Bronze Plaque. Designate the check "Pancho" Luna Award" and who is the recipient.

**The names of the District 2-X1 Pancho Luna Fellow Award recipients are listed on the District 2-X1 webpage [www.lions2x1.org/Resources/District Directory](http://www.lions2x1.org/Resources/District%20Directory).**

# Julien C. Hyer Lions Youth Camp, Inc.

The **Julien C. Hyer Lions Youth Camp** was organized in 1973 and the first camping session was held in 1974. Each year the Lions of District 2-X1 and 2-E2 host 30 "campers" (boys & girls) from around the globe. The campers visit Texas for five weeks as they learn about Texas, Lionism, and the American way of life. The Camp is named in honor of Past International President (1931-1932) Judge Julien C. Hyer, an active lion for 55 years and the founder of the Lions Clubs International Youth Exchange Program.

The camp typically begins the last weekend in June and closes at the end of July/early August. The students stay with host families in and around the Dallas/Fort Worth area. While here, they become part of their host families as they experience many things associated with Texas such as rodeos, line dancing, BBQ and much more.

During the first week, they get acclimated to the new time zone, spend time with their host families and begin to meet other youth from the JCH camp. The second week is spent in Lake Texoma where many activities are planned for them as a group. They will return to DFW for a couple of days and then it's off again to the state capital. In Wimberley, the students are hosted by a different set of host families. They spend a day in the Hill Country cities of Austin, San Antonio, San Marcos and Wimberley.

Upon arriving back in the DFW area, they have just a few days to relax and attend the Mesquite Rodeo before they are off again to Lubbock. They are welcomed by the new host families in Lubbock with a Texas style Bar-B-Q, music and dancing. They have the opportunity to go horseback riding, tour many different attractions and see "Texas," a world-renowned play about our state in the setting of Palo Dura Canyon.

After a month of travel and adventure, they once again head back "home" for the final leg of their trip. The last week in Dallas-Fort Worth has a busy schedule with a day at Six Flags, visits to area Lions Clubs, a night of dancing at Billy Bob's, last minute souvenir shopping, a Texas Rangers game and the Farewell Dance.

**Charity Contributions (including your club's 100%):**

Instead of writing and mailing various checks, the Lions Clubs can now write one check to "2-X1 Charities, Inc." and designate the amount for different charities or activities.

**For example, a club can write one check for \$500 and designate (restrict) it to various entities as under:**

\$ 100	Sports Extravaganza
\$ 100	Student Speaker Contest
\$ 100	Outstanding Youth Contest
\$ 100	Diabetic Essay Contest
\$ 50	Peace Poster Contest
\$ 50	Red Ribbon Campaign

The 2-X1 Charities Inc. in turn will transfer the entire designated funds to the respective entities in a timely and efficient manner.

Any and all 'undesignated' funds received by the 2-X1 Charities Inc. will be deposited as "UNRESTRICTED FUND" to be used on need basis, including any of the charities supported by our Lions District 2-X1 or for other causes such as Disaster Relief, Personal Assistance, emergency purposes etc.

## **MELVIN JONES LIONS INTERNATIONAL MEMORIAL**

<http://lions-mjm.org>

Located at Fort Thomas (birth place of Melvin Jones), Arizona, the Melvin Jones Lions International Memorial was erected and dedicated in 1965. The memorial is the result of a movement of Lions in Arizona to find a way to honor Melvin Jones, founder of Lions Clubs International. In 1961 the International Board of Directors proclaimed January 13 (birthday of Melvin Jones) as a day of memory each year throughout the world of Lionism. The "Founders and Rededication" month traditionally observed in January is now designated as "Melvin Jones Memorial" month. Thereafter every year on the Saturday closest to January 13, Lions throughout the world gather at this memorial to pay tribute to Melvin Jones and to rededicate themselves to service.

The Melvin Jones Lions International Memorial is a 501(c)(3) organization. Donations of \$100, \$250, \$500, and \$1000 are suitably recognized on the Wall of Fame in the Memorial Building. A drive is underway to expand the existing Melvin Jones Museum into a World Cultural Center at this Memorial, with donations by the first 1000 individuals (not clubs) that donate \$1000 to the foundation. ## AMBASSADOR OF GOODWILL

The Ambassador of Goodwill is the highest, most important and prestigious Award a member can receive from the Lions Clubs International, which is given at the discretion of the International President recognizing the member's distinguished and noteworthy services. It is a rare honor as only up to 40 Awards per year is given worldwide. The Ambassador of Goodwill Award is presented with both neck and chest ribbons and also is accompanied with a lapel pin.

# Past District Governors

## Texas - District 2 - 1918-1930

From 1918 through 1930, for Lions organization, the entire State of Texas was one 'Single District' - an 800+ miles across and over 900 miles from San Benito in the lower valley to Texline in the upper pandhandle. It was a mighty large area for a "Lone Star" Governor to cover!!

Texas became known as "**District-2**" having only one District Governor for the entire State, and having an official Convention in Dallas, Texas. Illinois was designated as **District-1** due to the work of Melvin Jones as the Founder of Lions organization.

In 1930, the LCI divided the "District-2" (Texas) into five 'Sub-Districts' (**2T-2E-2X-2A-2S**), each with their own District Governors - still some mighty large area to cover, but better than the whole State of Texas.

## Lions Clubs International **FOUNDATION**

Lions Clubs International Foundation (LCIF) was founded in 1968 to take the mission of Lions Clubs International to new heights by tackling global problems, as well as assisting Lions with large-scale humanitarian projects.

LCIF's history is filled with high-impact projects, meaningful partnerships and the kindness and efforts of Lions. With continued support, you can count on LCIF to continue and expand programs to improved lives around the world far into the future.

The vast majority of grant funding is made possible by donations from Lions Clubs and individual members worldwide. LCIF does not receive any portion of Lions membership dues. Gifts from foundations, corporations, governments, non-Lions and interest earned on investments also provide funding.
