

Lion Karen Murray and the Mabank Cedar Creek Area Lions wanted to put on the Calendar a District Service Project & Opportunity to work with our Julian C Hyer Exchange Students Sunday July 28, 2024.

We will be selecting about 75 pounds of groceries per family & then loading up to 4 family units into around 350 vehicles, as they drive by. This is the 1st step in Faith at Work Ministries feeding about 8,500 folks every week.
