**Chair Report/Activities:** As a Zone Chair, what have you accomplished in the months since the last Cabinet Meeting. What clubs have you visited? What did you share with them 😊

*I visited Rowlet and Sachse and Dallas Buddha. Shared how important having good service projects are in retaining members.*

**Service Activities/Fundraisers Completed:** What are your clubs doing in regards to service? Are they reporting it? Vegetable gardens, working in the food pantry, vision clinics. Yes they are reporting.

**Leadership Reporting:** Might not have anything, ask clubs how are they doing ensuring their officers are trained. They have sent their officers to training.

**Charitable gifts/donations to LCIF, district charities or other community organizations:**

Sachse donated to LCIF. Wylie Evening to the St. Vincent de Paul. Rowlett to the food pantry.

**Membership Reporting:** How are your clubs doing, new members, new clubs, prospects?

The clubs are asking prospects to come to a meeting.

**Zone 1 meeting dates:** List your dates

August 15

**Zone Meeting:** Did you have a Zone Meeting, how many clubs attended, what did you cover  
*Aug 15 we had all four clubs in attendance along with other clubs from other zones.*
