

Along with my previous Zone meeting report, I am adding my zone-8 clubs overall reports of the month of August, September and October. Almost all of my six clubs Dallas Oak cliffs, Dallas South, Irving Everest, Dallas Pokhara and Duncanville Noon clubs doing regular service activities and reporting as well. Some of the clubs added members and keeping the membership balance UpToDate. One of my club Dallas women are not much active and they need our help, I am trying my best to coordinate with the club president Chitra Gupta to bring their club in good standing.

In September I have visited Dallas Pokhara Lions Club during their installation, their club is good in service activities and membership growth.

Hope, I will visit rest of my clubs by or before 2nd zone meeting.

Thank You,
Sincerely,
ZC Meena Chhetry
