

## Zone 09 Report for 2nd Cabinet Meeting Report

**Lion Tami Kraus, Cabinet Secretary, Dist 2-X1**

### **Visiting Club Service Project:**

Ferris Lions Club on their annual Back to School Program. Also met the Club president of Desoto Lions Club at the same meeting. We discussed hosting our one of Zone meetings in person and host by one of the clubs in Zone.

Almost all clubs are active and reporting on time. I have difficulties with two clubs connecting with leadership. Also planning to meet them virtually if they need any training on club business.

Planning my club visits in November and December if possible at the time of service activities. Clubs are also aware of Governor's Goals as well club goals.

### **First Cabinet Meeting participation and contribution :**

Hosted by West Region Clubs, most of the clubs attended the Cabinet Meeting and Training. Some clubs contributed towards the expenses as well with RC Manuel Palavicini's help and motivation.

### **Involvement on Beds for Kids Project:**

Most of the clubs from Zone 9 attended the Build Bed for Kids project and I also got the opportunity to participate this time.

**Please see below First Zone meeting conducted virtually and jointly with Zone 10 clubs. Meeting went very well.**
