

The Lions Sight & Tissue Foundation's Denim & Diamonds fund raiser is scheduled for June 29, 2024. We hope that you and your Club Members plan on attending.

Last year we did not have a silent auction and several attendees asked why and told us that they really enjoyed the auction.

This year we are bringing it back. We are going to have baskets and prizes for baskets, but we would like to have a few other items.

Would you please poll your Members and try to come up with a silent auction item for us? This could be gift cards, tools, jewelry, etc. We would like any item in the auction to have a value of at least \$50 or more.

If you do have an item we need a description of the item, the value, and what you think the minimum bid should be.

The bid sheets will have the name of the Lion, Lions Club, or person that is donating the item. This way everyone will know who is supporting the LS&TF.

If you come up with something, please email Lion Danny Fletcher - heavybelly2@aol.com and he will create the bid sheet. You can bring the item to the banquet if you or someone you know is attending. Otherwise, we will make arrangements to pick it up.

Thank you!

Lion Danny
