

District 2X1 has donated a total of \$36,500 to LCIF through the end of February. We need to raise an additional \$11,500 to reach our total goal of \$48,000 for the current lion year.

A breakdown of the \$36,500 is as follows:

62 Individual Donations	\$20,750
37 Club Donations	\$15,750

Currently only 59% of our clubs have donated to LCIF. Last year we were a 100% district.

All clubs are encouraged to help our District Governor be a 100% district by contributing something to LCIF.

Grants in Progress: Currently the district is evaluating a grant application from Vox Invictus Mentoring for a Lions Quest Grant to continue the Invictus Kids After School Program at DISD Pleasant Grove Elementary School and DISD Hawthorne Elementary School.
