

There is not much to report from the clubs. Most of the clubs are doing fairly well. Thanks to all of the club officers for their services. We are still in the second quarter so there is always room for improvement. We need to focus on memberships, service and leadership. How to sustain our growth is also very important to your district.

Similarly, I am visiting many of the club events and leadership training where I am gaining valuable insights. Recently, I went to the Leader Dog Training and Canada Forum. I look forward to continuing to learn to help our district reach its goal.
