

**GET REPORT from GET PDG Prakash Gautam
First Cabinet Meeting, Lions Year 2025-2026**

Submitted to:

Governor Kedar Timalsina,
Cabinet Secretary Tami Kraus

Greetings!

Congratulations to the IPDG Radha Kaphle (DG for the Lions Year 2024-2025), his Leadership Team, and entire District 2-X1 Lions Family for receiving the Jessie Robinson Award at the Florida International Convention!

Our District has already chartered two new clubs (Dallas Gurkha LC and Dallas Manokamana LC) in the first month of Lion Year 2025-2026; the initial talks about these clubs were started in the past years. Congratulations to the sponsoring club, Dallas Everest Lions Club, and its Leadership Team for chartering two clubs in the first month.

Plano Early Lions Club will be organizing an extensive vision screening event on September 27 in Plano. I have approached the Club President and requested the Club's approval for setting-up a new club extension booth at the event place. It has not been finalized yet, but I am If any of our District Lions Family member would like to volunteer at the new club extension booth, please let me know.

If any of our fellow Lions have any idea or see any potential of opening a new club in any area or in any sector of the community, please let me, our team, or the District Governor know.

As in the Past, I am optimistic that our District will achieve all the goals and will excel in club extension in year 2025-2026, as well.

Best Regards,
GET Chair, PDG Prakash Gautam
