1. I have been active with my home club getting a new Leo club formed and starting a new club meeting. The first meeting had 61 people attend, 34 of which were guests. We've had some of those commit to joining the club.
2. Since our last cabinet meeting I've participated in several zone meetings via zoom and visited a couple of clubs.
3. In August I traveled to Kerrville for Council of Governors and then to Detroit, MI for Leaderdog training.
4. In September I was with several other lions and participated in the State Fair parade, held the executive council meeting (in place of DG Kedar) and attended the JCH board member meeting.
5. I've been active working with our FVDG Council of Governors in training for our upcoming role as DG
6. I have been talking with members about positions for next year's cabinet roles as well.
7. During the Health-Wellness week I attended 2 of the zoom sessions during the weekday.
8. We just finished the 2x1 build a bed event on Oct 11 and was a big success.

9. FVDG Gary Vineyard
