### TASKS TO ADDRESS 3RD QUARTER-November 2025-January 2026

Overall, our District 2-X1 Service reporting is down this quarter. Last year at this time, we had 77% of clubs reporting, and this year we are at 46%. After discussion at the last Executive meeting, I will:

- Communicate with MD2 GST Coordinator for support in learning how to read and use data in Lions Portal
- Review Lions portal data to determine what clubs are not reporting.
- Work with zone chairs and club secretaries to determine the reason reporting is not happening.
- Provide reason report to DG Kedar so steps can be taken to increase service reporting.
- Work with Environmental and Hunger chairpersons to determine Week Of events for both of those areas.

Thank you, respectfully submitted to Secretary Tami Kraus by Christy Householter, October 13, 2025
