Chair Report/Activities: I have visited Crandall, Seagoville, Terrell and Forney. I only have Mabank left that will be on December 2nd. I shared with the clubs the Build A Beds program of which Kaufman Lions is a Hub for our county. Talked about building up our membership for each club. All clubs have recorded their officers in the portal. All clubs have taken care of their balances owed to zero.

Service Activities/Fundraisers Completed: The clubs are recording their service activities. They are just starting their fundraisers. Kaufman has finished their Fall Baseball Concession and Pancake Breakfast. Crandall has done their pecan sales.

Leadership Reporting: Nothing to report as of now.

Charitable gifts/donations to LCIF, district charities or other community organizations: All the clubs in this zone usually wait to donate towards the end of the year.

Membership Reporting: Clubs are reporting membership gain and drops.

Zone 11 meeting dates: August 21, November 20 and March 5.

Zone Meeting: We had a zone meeting on August 21. We had 15 people attend. 4 out of the 6 clubs were represented. We covered service activities presented by GST Christy Householter. We also had 3 from District represented.

Respectfully submitted,

Lion Larry Eggett, PhD
