"FLASH - DISTRICT CONVENTION IMPORTANT VOTING NEWS" - Lions Clubs International has its "Eyes on District 2-X1" voting for our International Director Candidate PCC John Landrum!

We need 100% of our District Club voting delegates from each of our Clubs to be at our District Convention in Duncanville on Saturday, April 25, 2026, at 2 p.m. to vote. All you have to do is register in advance at no cost and show up to vote, whether you are a delegate or alternate delegate.

Why? It is Very Important, specifically, that our District has one of our own Lions endorsed by our District as a candidate for International Director of Lions Clubs International – PCC John Landrum. We need to get him elected! Our District has not had an elected International Director Representative on the LCI Board of Directors representing our District and all Lions in MD-2 Texas since 1952. We also have other District officers and Directors of our charities that must be elected to their positions.

CLUB DELEGATES: Registration for the Convention is a must. Please register by April 13, 2026. It's easy. Just fill

out the Convention Registration Form and register. It costs you nothing if you are not eating any meals! (Please see District 2-X1 <u>Convention</u> Flyer attached and registration instructions). As a voting delegate, "<u>You Are A Key Lion" to help our own PCC John Landrum become an International Director</u>!

CLUB PRESIDENTS/SECRETARIES:
#1 – When you receive your delegate instructions right after March 1, please get your Club's delegates picked and send your Club's approved delegate list to PCC Joe Montag, Co-Chair District 2-X1 Constitution and By-laws Committee as instructed by April 1, 2026.

#2 – Make sure your delegates have registered for the convention by April 1 and will show up for voting. Your help is appreciated.

Let's each of us Lions do our part to elect PCC John Landrum as our next Lions Clubs International Director from District 2-X1!!

Thanks
PCC John Eads
Co-Chair District 2-X1 Constitution & By-laws Committee
