

Hello, Lion Julie Woods and I are your District 2-X1 Texas Lions Camp (TLC) Elected Directors for 2025-26. We want to come to your Lions Club soon to share stories about the fantastic summer camps just finished, and to show you the new cabin construction our campers and families enjoyed this summer, thanks to your Club's support of the Texas Lions Camp.

TLC, as you know, is one of the seven Funded Charities included in each Lion's District & MD2 State Membership Dues, one of the nine District 2-X1 supported Charities you need to be a 100% President, and for your Club to be a 100% Club (details are in your 25/26 District Directory).

There is a lot to tell: NEW and BETTER facilities, expanded programs, now including TLC for Families, and Family Day Camp. Lots of new ways for all of us to serve and support the disabled children of Texas. Please contact us to reserve time at one of your future Club meetings so we can tell your Lions Club more about the new and improved Texas Lions Camp for children with Special Needs.

Update on 05/07/2026

We have passed the new camp rules and TLC is officially open for business this summer. TLC for Families is full, but we still have open bunks for the general Special Needs week long sessions, so let's get out there and find those kiddos to sign up!
